Administrator/Principal Contract

The administrator/principal, upon appointment by the Board, will receive a written contract which will state the terms of employment such as compensation, benefits and other conditions.

The compensation and benefits for this position will be fixed by the Board and based upon the responsibilities required of the administrator/principal in performing duties. The Board may not enter into an employment contract that contains provisions that expressly obligate HCCS to compensate the administrator/principal for work that is not performed.

Provisions for termination of the administrator's/principal's employment by the Board will also be set forth in the administrator's/principal's employment contract.

HCCS may provide health benefits for an administrator/principal that is no longer employed by HCCS until the administrator/principal:

1. Reaches 65 years of age; or
2. Finds new employment that provides health benefits.

For a period of one year after termination of the contract, the administrator/principal may not:

1. Purchase property or surplus property owned by HCCS; or
2. Use property owned by HCCS in a manner other than the manner permitted for the general public.
