First Aid**

In cases of sudden illness or injury to a student or staff member, first aid will be given by school staff. Further medical attention for a student is the responsibility of the student's parent(s), or of someone the parent(s) designate in the case of an emergency.

The administrator/principal is charged with providing for the immediate care of ill or injured persons within their area of responsibility.

Staff members shall report self-administered first-aid treatment to an immediate supervisor.

Procedures for handling health emergencies will be established and made known to staff. All employees are expected to know where first-aid supplies and equipment are kept in their work areas.

Designated employees shall hold current first-aid cards. In compliance with Oregon Administrative Rules, HCCS shall have, at a minimum, at least one staff member with a current first-aid card for every 60 students enrolled.
