Staff Complaints

The administrator/principal will develop a complaint procedure which will be available for all employees who believe there is evidence of, and wishes to report a violation, misinterpretation, or inappropriate application of HCCS personnel policies and/or administrative regulations; a mismanagement, gross waste of funds, or abuse of authority; or believe there is evidence the school created a substantial and specific danger to public health and safety by its actions. The complaint procedure will provide an orderly process for the consideration and resolution of problems in the application or interpretation of school personnel policies.

Disputes concerning an employee's dismissal, contract nonrenewal or contract nonextension will not be processed under this procedure.

Reasonable efforts will be made to resolve complaints informally.

Administrative regulations will be developed to outline procedural timelines and steps under this policy, as necessary. HCCS will use the complaint process in administrative regulation KL-AR - Public Complaints Procedure to address any alleged violations of this policy.
