Student Conduct**

The HCCS Board expects student conduct to contribute to a productive learning climate. Students shall comply with the school's written rules, pursue the prescribed course of study, submit to the lawful authority of school staff and conduct themselves in an orderly manner at the school during the school day or during school-sponsored activities.

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured to each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning environment. All staff members have responsibility for consistency in establishing and maintaining an appropriate behavioral atmosphere.

A *HCCS Family Handbook* or other document shall be developed by school administration and will be made available and distributed to parents, students and employees outlining student conduct expectations and possible disciplinary actions, including consequences for disorderly conduct. In addition, the public charter school shall publish a student/parent handbook detailing additional rules specific to that school.

Students in violation of HCCS Board policy, administrative regulation and/or code of conduct provisions will be subject to discipline up to and including expulsion. Students may be denied participation in activities. Titles and/or privileges available to, or granted to, students may also be denied and/or revoked (e.g., field trips, etc.). A referral to law enforcement may also be made.
