Relations with Law Enforcement Agencies

The HCCS Board recognizes that cooperation with law enforcement agencies is essential for the protection of staff and students, for maintaining a safe environment in the public charter school and for safeguarding public charter school property.

Law enforcement officials may enter school facilities if a crime has been committed on school property or to investigate matters concerning staff and students upon request initiated by either agency officials or by the administrator/principal or designee.

The administrator/principal will develop administrative regulations to implement this policy, including procedures for handling investigations, administrator/principal requests for assistance and required referrals to law enforcement agencies.
