Adoption and Revision of Policies

Board policies will be subject to alteration, addition or deletion upon majority vote of the Board at any regular or special meeting in which all members have been notified in writing of the proposed alteration, addition or deletion at least 24 hours in advance. In most cases, a first reading of the policy will be scheduled on a regular meeting agenda prior to its adoption at a subsequent regular or special meeting.

The formal adoption of policies will be recorded in the Board minutes. Only those written statements so adopted and so recorded will be regarded as official Board policy.

When additions, deletions or amendments are made to Board policy, the addition, deletion or amendment will carry the adoption date and the corrected copy will be published at the earliest opportunity.

To permit time for studying new policies or amendments to policies and to provide an opportunity for interested parties to react, proposed policies or amendments may be presented as a Board agenda item in the following sequence:

1. First reading of a proposed policy (or policies): This is an information item and no action is required by the Board. A first reading announces that a new policy, a revision of an existing policy or consideration to rescind a policy, is being considered by the Board. Comments, questions, concerns and recommended edits should be forwarded to the administrator/principal or designee for consideration prior to the meeting in which the policy is recommended for a second reading and/or adoption.
2. Second reading/Adoption of a proposed policy (or policies): This is an action by the Board and may be placed on the consent agenda. Any revisions to a policy from the first reading will not require the policy go through an additional reading, except as the Board determines that the revision(s) need(s) further study and an additional reading would be advantageous.

When, in the best interest of HCCS, immediate adoption of a proposed policy is necessary, the Board may adopt such policy at the first meeting in which it is presented.

The operation of any single policy, section or sections of policies not established by law may be temporarily suspended by a majority vote of the Board member's present at a regular or special meeting.

The policy manual will be regularly reviewed to keep it current.
